Three Jurors Cured

Of Cholera Morbus with one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Mr. G. W. Fowler of Hightower, Ala., relates an experience he had while serving on a petit jury in a murder case at Edwardsville, county seat of Cleburne county, Alabama. He says: "While there I ate some fresh meat and some soured meat and it gave me cholera morbus in a very severe form. I was never more sick in my life and sent to the drug store for a certain cholera mixture, but the druggist sent me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy instead, saying that he had what I sent for, but that this medicine was so much better he would rather send it to me in the fix I was in. I took one dose of it and was better in five minutes. The second dose cured me entirely. Two fellow jurors were afflicted in the same manner and one 25 cent bottle cured the three of us." For sale by all druggists.

Congressman James M. Richardson, of the Third district, is ill of typhoid fever.

At the regular meeting on the 4th Saturday in August, 1905, of James Humphrey Post 81, department of Kentucky, these resolutions were passed:

"That we deeply regret the loss of Comrade Eastham Tarrant, who died Aug. 11, 1905. That we sincerely sympathize with his sister and other relatives, and that a copy of these proceedings be sent for publication to the INTERIOR JOURNAL, National Tribune and Casey County News. He was adjutant of this Post and a member of Co. A, 1st Ky. Cavalry. He was a frequent contributor to various papers, author of history of the 1st Ky. Cavalry. His ancestors participated in the revolutionary war and war of 1812. Had an uncle in the battle of New Orleans.

James E. King, com., Joab Rigney, past commander.

A French writer in a scientific magazine tells of the great ocean depths of 28,000 to 30,000 feet, the temperature tending toward zero, the perpetual darkness ranging below depths of about 1,280 feet. At that level plants, deprived of light, cannot exist. The animal life must be carnivorous. The organs of sight, not being used, have become atrophied and disappeared. Yet there is light even in that sightless world. A German exploring ship found a fish with enormous eyes at a depth of 6,400 feet.

A Remedy without a Peer.

"I find Chamberlain's Stomach and Liver Tablets more beneficial than any other remedy I ever used for stomach trouble," says J. P. Klote, of Edina, Mo. For any disorder of the stomach, biliousness or constipation, these Tablets are without a peer. For sale by all druggists.

A FOOLISH PLAN

"It is a joy to eat—I welcome my dinner hour; because I rout indigestion with August Flower!" Constipation is the result of indigestion, biliousness, flatulency, loss of appetite, self-poisoning, anemia, emaciation, uric acid, neuralgia in various parts of the system, catarrhal inflammation of the intestinal canal and numerous other ailments that rob life of its pleasures if they do not finally rob you of life itself. "I'm bound in the bowels," is a common expression of people who look miserable and are miserable—yet who persist in "letting nature take its course." What a foolish plan, when nature could be aided by the use of Green's August Flower, which is nature's own remedy for constipation and all stomach ills. August Flower gives new life to the liver and insures healthy stools. Two sizes, 25c and 75c. All druggists.
